## CRM Opportunities

# Convert Contacts Into Members

Easily search and save contacts into segmented lists and efficiently follow up on every lead with tracking tools based on individual or company contact profiles.

- Sales pipeline at a glance
- Companies and contacts aligned
- Multiple opportunity boards
- Links tasks with opportunities
- Different opportunity types
- Notes & Comments
- Sales Forecast

The screenshot displays a CRM interface for 'Glue Up' with a 'Contacts' header. The main area is titled 'Opportunities' and shows a total value of '\$113,012.78' and '12 deals'. The pipeline is divided into four columns:

- Pre-Qualified** (\$27,212 • 5 deals):
  - Draper-Watson Deal (Closing: May 3, 2024, \$1,242)
  - InvestiBud Deal (+ Add closing date, \$1,330)
  - Accounting Professionals Deal (Closing: May 28, 2024, \$5,000)
  - Nurses' Association Deal (Closing: March 9, 2024, \$18,200)
  - Executives Association Deal (Closing: May 29, 2024, \$1,440)
- Qualified** (\$17,000 • 2 deals):
  - CICT - Deal (Closing: April 2, 2024, \$15,000)
  - PIMR - Deal (Closing: April 2, 2024, \$2,000)
- Negotiation With A ...** (\$37,200 • 4 deals):
  - RASAE - Deal (Closing: March 2, 2024, \$1,200)
  - SF Chamber of Commerce (+ Add closing date, \$1,250)
  - NYCI Association - Deal (+ Add closing date, \$1,250)
  - TXCC - Deal (Closing: March 3, 2024, \$33,500)
- Closed Won** (\$0 • 0 deals):
  - DCYA - Deal (Closing: March 3, 2024, \$1,200)

Each deal card includes a contact profile icon, deal name, closing date, and value. A 'Drop Opportunity Here' button is visible in the 'Closed Won' column. The interface also features a search bar, filters, and a '+ Add Opportunity' button at the top right.

The image displays a desktop website and two mobile devices (a tablet and a smartphone) showing an event page for "Empowering Your Associations: Seamless Association Management with AI" by GlueUp. The desktop view includes a header with the GlueUp logo, a main image of a map of the United States with people icons, and a "Register" button. The event details section lists the date as April 18, 2024, from 2:00 PM to 2:40 PM (GMT-4). The event description highlights the benefits of AI-powered management solutions, such as automating renewals, invoices, and follow-ups, and making life easier by offering new members an online application process directly from the website. The event details also mention that the solution can automate confirmations and reminders, provide a targeted approach for different audiences with intuitive, dynamic smart lists, and enable committees and working groups to take it to the next level by providing them with their own private social space. The event details also mention that the solution can help organizations transform into an efficient and thriving community.

The tablet and smartphone views show the same event page, but with a simplified layout and a "Register" button at the bottom. The smartphone view also shows the time as 7:56 and the URL as events.glueup.com.

**Event Details**

We are excited to invite you to our online event that will **revolutionize the way you manage your Association** and **streamline your organizational processes**.

Join us and learn how to personalize engagement with your members, create seamless communication channels with your audience, and **lead your Association to success** through our **AI-powered** management solution.

Say goodbye to tedious admin tasks, delays in processing applications, email overload, and generic communication.

Instead:

- automate renewals, invoices, and follow-ups
- make life easier by offering new members an online application process directly from your website
- automate confirmations and reminders
- have a targeted approach for different audiences with intuitive, dynamic smart lists
- enable your committees and working groups to take it to the next level by providing them with their own private social space

The screenshot shows the Glue Up 'Campaigns' editor in the 'Content & Design' step. The left sidebar contains navigation options: Home, Contacts, Events, Campaigns (selected), Dashboard, Campaigns, Surveys, Subscription Lists, Suppression Lists, Community, My Tasks, and Analytics. The main editor area includes a top navigation bar with steps 1 Recipients, 2 Settings, 3 Template, 4 Content & Design (active), and 5 Review & Send. Below this are buttons for 'Content' and 'Design', and a 'Campaign Language: English' dropdown. A 'Preview In Browser' button is also present. The 'Elements' section offers drag-and-drop options for Text, Image, Title, Divider, Button, Event Tracker, Article, Share, Social Follow, Logo, and Survey. The 'Layouts' section provides templates for 1 Column, 2 Columns, and 3 Columns. The main canvas displays a preview of an email campaign with a header image, a link, and a main body section. The body text includes a placeholder for a name: 'Hey [givenName, fallback=],'. A 'Glue Up AI Copilot' chat window is overlaid on the right, with the prompt: 'Write me a post in a professional tone, write an email campaign |'. The chat window shows a blue checkmark and a close button.

Glue Up gets better every week as we introduce new features and improvements to our platform. This way, you have a better product every week without paying anything extra.

## Make Great Even Better

Our all-in-one Association Management Software has a wide range of features on its own, but you can always extend it with any of our add-ons , and by integrating Glue Up with other applications you use.

### Add-ons

- Dedicated Subdomain & API Access
- Dedicated IP Address for Emails
- Website for your Organization
- Event Page Set-Up
- CPD/CPE Credits & Certificates

### Add-ons for 'My Glue' App

- White-label with own branding
- Attendee to attendee chat
- Live Event Wall
- Event Rooms
- Business Card Scanner

### Chapter Management

Achitected and arranged to suit any access and visibility structure across multi-tiered organizations. The visibility and management capabilities are where this technology is a cut above, especially in terms of ease of use and configuration.

## Case Studies

# Forward-thinking Teams Stick With Glue Up

From Chambers of Commerce and non-profits to large associations with dozens of chapters, our clients love using Glue Up in over 70 countries around the world already. Here is experience of a few of them.

*“It is imperative that you research Glue Up if you want to take your chamber to the next level. Once you familiarize yourself with Glue Up, you'll love it! It's the best software on the market for any member-based organization, not just chambers of commerce.”*

**Edward Ornelas, Jr.**

President, Inland Empire Chamber of Commerce

*“We have many volunteers who want to work with our organization, so removing the hurdles of paperwork has made it easier because their time is much more valuable than doing paperwork.”*

**Farukh Ijaz**

Secretary, ITE Met Section

The screenshot shows the 'YourCompany' account creation interface. At the top right, there is a language selector for 'English'. The main heading is 'Create your account'. Below this, there is an email input field containing 'denis.dobras@yourcompany.com'. A checkbox below the field is labeled 'I agree to YourCompany Terms of Use and Privacy Policy'. A purple 'Continue' button is positioned below the checkbox. Underneath, there are social media icons for Apple, Twitter, Google, and LinkedIn, with the word 'or' centered between them. At the bottom of the form, there is a link: 'Already have a YourCompany account? Log In'.

Below the account creation page, two email preview cards are shown. The top card is for 'Glue Up <noreply@glueup.com>' with the recipient 'To: Luka Dovsak'. The bottom card is for 'YourCompany <noreply@yourcompany.com>' with the recipient 'To: Luka Dovsak'. A curved arrow points from the Glue Up card to the YourCompany card, illustrating the branding change.

On the right side, a browser window is shown with the URL 'app.yourcompany.com/my/home/'. The browser's address bar and window title 'YourCompany' are visible. A curved arrow points from the browser window back to the account creation page, indicating the user's current location.

A screenshot of the Glue Up web application interface. The top navigation bar shows 'Glue Up' and 'Communities'. A sidebar on the left contains various navigation icons. The main content area is titled 'Community' and includes a toggle switch for 'Community is activated' and a management instruction. Below this, there are four community cards with illustrations and titles: 'Digital Marketers of the 21st Century', 'Business Development Executives Society of Michigan', 'Accounting Professionals of New Charlottesville', and 'Membership Management Professionals of Kingsville'. A 'Create Community' button is in the top right. A post from Charles Moore is highlighted in a white overlay, showing the text 'Hi Fam! 🍌' and 'This is my first post and I would like to introduce you to our community! Can't wait to see all your posts! 🎉'. The post has 50 likes, 3 comments, and 5 shares. A comment from Jill Parra is visible below, saying 'Hey Charles, what an incredible initiative! Cheers!'. The bottom of the overlay shows a 'Write a comment...' input field with icons for emojis, images, and videos.

A screenshot of a community management dashboard. The interface is divided into three main sections: a left sidebar, a central main area, and a right sidebar. The left sidebar contains navigation icons for Home, Feed, Groups, My Groups, and other community features. The central main area shows a 'Main Community' with 5486 participants and a 'Create a Post' modal. The modal is titled 'Create a Post' and includes a toggle for 'Turn on commenting on post', a dropdown for 'Main Community', a text input field with the placeholder 'What do you want to share on the community wall?', and a 'Publish' button. Below the modal, a post by 'Luka Dovsak' is visible, featuring a profile picture, name, role ('Product Manager at Glue Up'), and a long paragraph of placeholder text. The right sidebar contains an 'About' section with a description of the community and a 'Private' status indicator.
